

Pathways Programme Courses for people with learning difficulties and disabilities

This course is for learners who have had some previous dance experience or have progressed on from the 'Introduction to Dance' class at college. You need to be able to work in a team, to be willing to learn and enjoy learning more about dance, performance and work opportunities in the creative industries.

If you would like to join the Hot Green Bus Dance Company you will:

- Work towards a English, Maths and personal target
- Learn new dance skills by taking part in dance classes and learning about Choreography
- Rehearse and be involved in a performance
- Develop confidence and independence skills

There are tuition and material fees for this course; fees may be waived if you are 16 – 18, over 19yrs and under 25yrs and have an S139 or EHCP in place. You may be entitled to a bursary from the college to help pay for material fees depending on personal circumstances. Classes are small and well supported.

Students can progress on to other college courses or into employment or supported employment opportunities or voluntary work.
