

Pathways Programme Courses for people with Learning Difficulties and Disabilities

These courses are for people who have learning difficulties and disabilities.

There are no formal entry requirements, but you will be asked to come for an interview.

The course is likely to be up to 16.5 hours a week and can be spread across the week depending on your individual timetable. You can attend as a full or part time learner.

The course will help you to develop independent living, employment, social and health and well-being skills. You will also have the chance to improve your English, maths and computer skills. Learners are also encouraged to take part in work experience as part of their programme of study.

You do not have to study a qualification, but you will have personal targets to work towards. If appropriate the qualifications offered are:

Award, Certificate or Diploma in Personal Progress E1

Award, Certificate or Diploma in Independent Living E1/ 2/ 3

Certificate in Life skills E1/2

Award, Certificate and Diploma in Preparing to Get a Job E2

Some students may be able to take qualifications in English, Maths and ICT

There are tuition and material fees for this course; however tuition fees may be waived if you are 16 – 18, over 19yrs and under 25yrs and have an S139 or EHCP in place. You may also be entitled to a bursary from the college to help pay for material fees.

Classes are small and well supported.

Students can progress on to other college courses or into employment, supported employment opportunities or voluntary work.
